

## SHASTA GEAR BAG<sup>™</sup>

---

---

Here's a big bag, with molded quick-grip comfort handles, perfect for carrying a firefighter's gear. It's also great for rescue personnel and police officers. Handles on the side and ends of the bag make it easier to drag out of your truck or car. Compression straps make the bag easier to handle. The top opens fully for access to all parts of the bag. You can pack it in an organized fashion and have quick access to your gear. A zippered side pocket keeps small items secure. The foam insert in the bottom gives the bag shape and helps to protect the contents. Bag stores flat when empty. Our most popular red Shasta is now available with hideaway shoulder straps.
