

AZTEK PROSERIESTM LT SYSTEM

Originally developed by Reed Thorne of Arizona-based *Ropes That Rescue*, the **AZTEK** (Arizona Technician's Edge Kit) is used globally and offers more than 100 rigging solutions in a bag. As one of the most versatile tools used in rope rescue, the system reflects the philosophy of keeping rigging equipment simple, efficient, non-specialized, light and small.

The design of the CMC AZTEK ProSeries[®] LT System (Load Tender) leaves no detail ignored. The more compact 'LT' version of the AZTEK offers 28 feet of 8 mm AZTEK ProSeries[®] Cord that can extend the set-of-fours up to 6 feet, providing a 4:1 or 5:1 mechanical advantage. The LT system includes (2) ProTech[™] Aluminum Auto-Lock Carabiners w/ removable keeper pin for attaching to the swivel ends. (Note: Included carabiners must be installed by the user and are UL Classified to NFPA Technical Use).

USES: Whether using the set-of-fours (SOFs) as a quick 4:1 or 5:1 M/A for a multitude of rigging applications, or for pick-off rescues, the versatile AZTEK ProSeries LT System gives rescuers and rope access technicians endless rigging solutions in a bag, including:

- Quickly adjusts litter attendant position, low/high
- High-angle attendant tether
- High-angle litter scoops
- Solo pick-off
- Personal mechanical advantage
- Knot passing
- Aids in correcting disoriented equipment under load
- Effortlessly transfer loads
- Promptly establish dynamic fixed brakes
- Pre-tensioned back-ties
- Redirect anchors
- Load-releasing hitch
- Tensioned guying

The AZTEK ProSeries LT System comes assembled in an attachable carry bag and includes:

- **CMC AZTEK Double Pulley Set**
- Quick Pin for AZTEK Omni Pulley (1)
- **AZTEK ProSeries Cord** – 8.5 m (28 ft) of 8 mm hi-viz orange, Sewn-Eye Termination
- **ProTech™ Aluminum Auto-Lock Carabiners** (2) w/ removable keeper pin – not installed
- **AZTEK Bound-Loop Prusik**, blue (6 mm) – 9 in
- **Storage pouch** with quick-connect attachment (red)

NAME	SYSTEM, AZTEK PROSERIES LT, CMC
WEIGHT	1.3 KG (3 LB)
COLOR	ORANGE/BLUE
NFPA RATING	GENERAL USE
3 SIGMA MBS	36 KN (8,093 LBF)
